Soldier's Creed

I am an American Soldier.

I am a Warrior and a member of a team.

I serve the people of the United States and live the Army Values.

I will always place the mission first. I will never accept defeat. I will never quit.

I will never leave a fallen comrade.

I am disciplined, physically and
mentally tough, trained and proficient in my warrior tasks and drills.

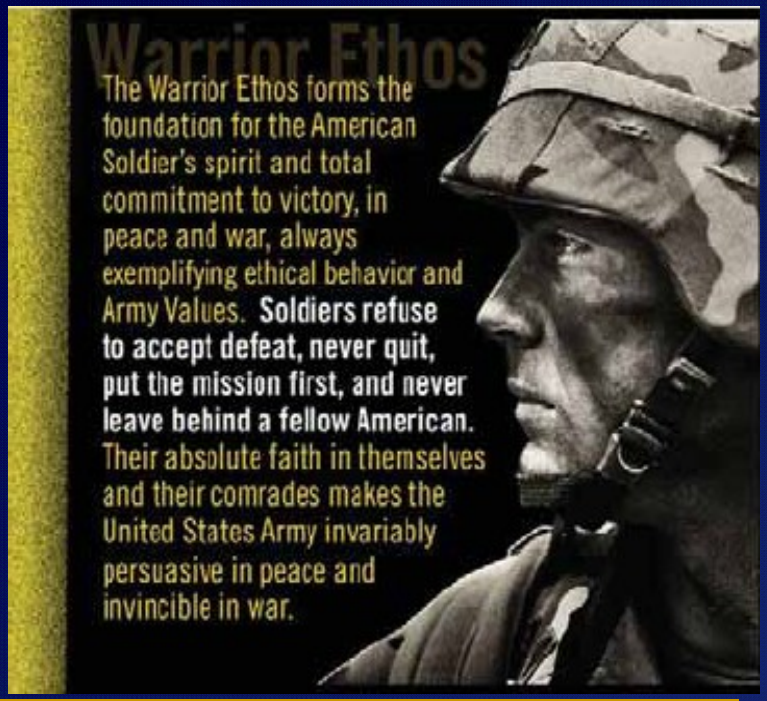
I always maintain my arms, my equipment, and myself.

I am an expert and I am professional.

I am ready to deploy, engage, and destroy the enemies of the United States of America in close combat.

I am a guardian of freedom and the American way of life.

I am an American Soldier.



Warrior Ethos
The Warrior Ethos forms the foundation for the American Soldier's spirit and total commitment to victory, in peace and war, always exemplifying ethical behavior and Army Values. Soldiers refuse to accept defeat, never quit, put the mission first, and never leave behind a fellow American. Their absolute faith in themselves and their comrades makes the United States Army invariably persuasive in peace and invincible in war.
